reference to this, it is reported that in Sno. 124 of Hosahawalli comprising 4 Acres and 35 Guntas out of which 16 guntas have been disforested and the applicant wants the remaining area for cashew cultivation & the DFO states that there can be no objection to release the lands applied for.

It may not be out of place to point out that RD have released a huge acreage of Govt. waste lands for cashew cultivation and Forest Deptt. is also under its scheme is cultivating cashew nut within the forest area. In some other reference the CCF has desired Govt. not to release or grant forest lands for cashew cultivation to private parties. Attention is also invited to the remarks of DS. (Revenue S.O.) on Page 3 Cf & in view of these remarks it is for consideration whether remarks of RD at this stage could be obtained.

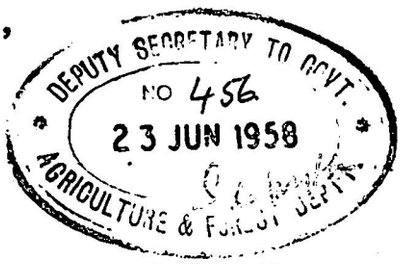
To,
The Minister for Agriculture and Forests,
Vidhan Soudha,
Bangalore 1.



Sir,

Sub: Cashew nut Cultivation; request for the grant of Land in Hervatta, Taluka Kumta, Dist. N.Kanara.

With reference to Govt. End. No. AFD 329 DST 57 dated 15-2-1958 I beg to enclose a copy of the letter from the Tahasildar of Kumta No: S 153/399 dated 16-5-1958 rejecting my request for the grant of about 5 acres of land from Forest S.No. 124 of Hos Hervatta, Taluk Kumta, Dist. North Kanara, on the ground that the area in question is required for grazing of cattle. I may be permitted to say, sir, that the reason asigned for rejecting my request is incorrect in as much as the grazing area in Hervatta which is about 264 acres is more than suffecient for about 334 heads of cattle on the basis of ½ an acre per head of cattle according to the limits prescribed by the Govt. of Bombay. Besides according to the Panchnama held in April 1958 in connection with my Application the area required by me has been declared unfit for grazing. The public opinion is also in favour of asigning the said area for cashew nut cultivation. In the circumstances I request that my application may kindly be reconsidered and instructions issued to the appropriate Revenue Authorities directing them to grant the said Survey Number to me for Cashew nut cultivation on usual terms and conditions.

Thanking you in anticipation.

Yours faithfully,

Encl: (1) Copy of Tahsildar of Kumta letter No;S153/399 of 16-5-58.

Sub:-Request of Sri Vinayak Narasimha Pai Hervatta for grant of land in S.No.124 of Hervatta for cashew cultivation.

Ref:-Your letter No.AFD 329 DST (Supp) dated 8-1-1959.

The information regarding the acreage provided in the Taluk (Kumta) for grazing per 100 cattle, the grazing area of the village and the number of cattle head in the village as called for under Government endorsement No.AFD 329 DST (Supp) dated 9-7-1958 has been furnished by the Divisional Forest Officer, Kanara Western, Karwar in his letter No.C/11/946 dated 5-9-58 a copy of which has been forwarded to Government under this office letter of even number dated 18-12-1958. However another copy of the D.F.O's report furnishing the particulars for ready reference, is enclosed.

Yours faithfully,

Chief Conservator of Forests.

Copy cited above:-

Sub(as noted above)

The area applied for by the applicant falls in the Minor forest S.No.124 of Hosherwatta. The applicant wants the the whole area of 4 acres and 35 guntas for cashewnut cultivation. Out of this area, an area of 16 guntas has already been disforested. The area available for grant is about 4 acres and 19 guntas.

3. The acreage provided in the Taluka for grazing purpose per 100 cattle is 50 acres. The grazing area of the village is 264 acres and 15 guntas as against 334 cattle. The grazing area is adequate. Hence there is no objection to grant the area of 4 acres and 19 guntas from Minor Forest S.No.124 of Herwatta to the applicant for cashewnut cultivation on sanad.

4. The sketch of the area together with the application and its enclosure are resubmitted herewith.
